Request for Approval of NPDES Permit Program, State of Hawaii

We are currently reviewing the State of Hawaii's application for approval of its NPDES permit program. The elements of the application (copies attached) are:

- (1) NPDES Permit Processing Flow Chart
- (2) Manpower to Implement NPDES
- (3) Available Funds to Implement NPDES
- (4) Estimated Costs for Implementing NPDES
- (5) Inventory of Discharges (Municipal, Industrial, Agricultural)
- (6) Proposed Organization Charts and Function Statements for the Environmental Health Division
- (7) Governor's Request for NPDES Permit Program Approval
- (8) Attorney General's Statement
- (9) State Water Pollution Control Regulation (Chapter 37 of Public Health Regulations, Department of Health)

A draft Memorandum of Understanding (MOU) has been prepared by this office. A copy of the MOU and comments by the State of Hawaii are also attached.

Our review of the application will be completed by May 31 at which time we will be advising the State of any inadequacies
